Taking Care of Snowbear

Time for breakfast, little bear!
Let me put you in your chair.

Come and take a walk with me.
We will see what we can see.

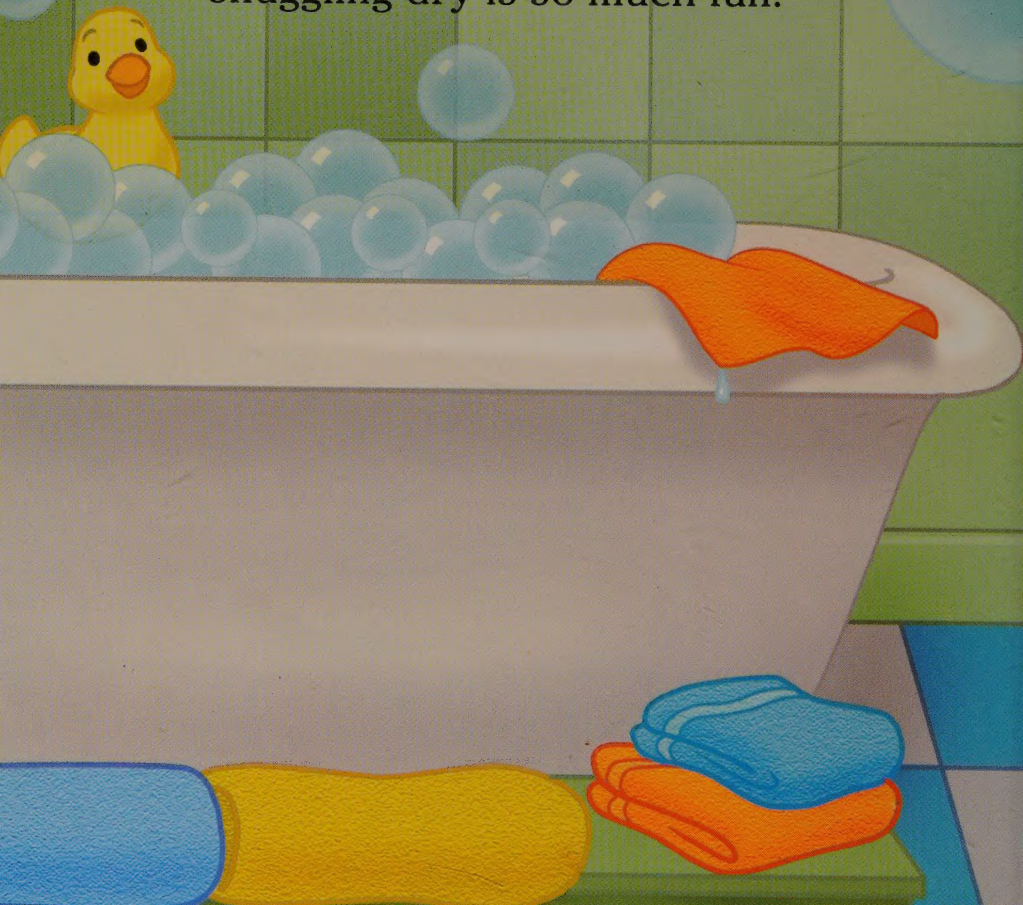

We like spending hours and hours
resting here among the flowers.

When your bubble bath is done,
snuggling dry is so much fun.

Close your eyes. Don't make a peep.
I will be here while you sleep.

Taking Care of Snowbear

Preschoolers will love taking care of their very own little Snowbear, moving her from high chair to bath to bed, just like Ojo does!
